題號	答案	題　目	分類編號
086	1	Prior to accelerating from a stationary position, motorcyclists are required to (1) use their turn signal and check to see if there are any other vehicles, pedestrians, or obstacles in their path. (2) only check their left side to see if there are vehicles passing by. (3) check the road up ahead only.	12
087	1	Goods loaded on a motorcycle may not extend beyond the rear-wheel axle by more than (1) half a meter. (2) 1 meter. (3) 3 meters.	12
088	2	On roads with no lane line separating the fast and slow lanes, motorcyclists must stay (1) in the inner lane. (2) in the 2 outer lanes. (3) in the middle of the inner lane.	12
089	2	Goods loaded on a light motorcycle may not be heavier than (1) 40 kilograms. (2) 50 kilograms. (3) 20 kilograms.	12
090	1	Those who fail the motorcycle road test may take the same test again after (1) 7 days. (2) 15 days. (3) 30 days.	12
091	1	For two vehicles passing each other, what is the minimum safe distance that should be maintained between the two vehicles? (1) half a meter. (2) 1 meter. (3) 2 meters.	12
092	1	On winding roads, steep hills, narrow bridges, railroad crossings, and in tunnels and intersections, drivers (1) may not pass another vehicle. (2) may pass another vehicle. (3) There is no law regulating this.	12
093	1	If the address of a motorcycle owner and driver changes, they: (1) are required to register any change of address at the Motor Vehicle Registration Department; (2) do not have to ever register any change of address; (3) are required to register any change of address at the nearest police station.	12
094	2	To scrap a vehicle, the owner is required to fill out an application with the Motor Vehicle Registration Department, and turn in (1) their driver's license. (2) the license plates and vehicle registration for that vehicle. (3) the vehicle registration.	12
095	2	If you no longer need your license plates, (1) you can use them on another vehicle. (2) you have to return them to the local Motor Vehicle Registration Department. (3) you may keep them.	12
096	1	If your motorcycle has not been inspected and registered, so you don't have a license plate for your motorcycle, (1) you may not drive your motorcycle. (2) you may drive your motorcycle. (3) you may drive your motorcycle in suburban areas only.	12
097	1	Those who possess a heavy motorcycle driver's license, may also drive (1) a light motorcycle. (2) a small truck. (3) a passenger car.	12

機車法規選擇題
【英文】

題號	答案	題　目	分類編號
098	3	You are approaching a railroad crossing and a number of other motorcycles are speeding across the tracks as the guard gate is lowering, what should you do? (1) Follow the other motorcycles and speed over the tracks quickly. (2) Stop first to make sure there is no risk and then drive under the guard gate to cross over the tracks. (3) Stop, wait for the train to pass by, and then wait for the guard gate to lift before crossing the tracks.	15
099	2	If a vehicle owner allows another person without a driver's license to drive their vehicle, their driver's license will be suspended for (1) 2 months. (2) 3 months. (3) 4 months.	12
100	3	If a driver falsely claims that they have lost their driver's license and then obtains a new license from the Motor Vehicle Registration Department, what will happen to them? (1) They will be fined. (2) Their driver's license will be suspended. (3) They will be fined and their driver's license will be suspended.	12
101	2	You have a motorcycle, but no license plate for it. Therefore, (1) you may borrow a license plate. (2) you may not borrow a license plate. (3) you may produce a license plate.	12
102	1	A license plate (1) has to be installed in accordance with law. (2) can be installed anywhere on the vehicle as long as the license plate number is visible. (3) There is no law regulating this.	12
103	3	If a driver goes through a pedestrian crosswalk without yielding to any pedestrians, thus causing either injury or death, the drivers' criminal penalty will be increased by (1) 100%. (2) 200%. (3) 50%.	12
104	2	If a driver fails to yield to an on-duty fire engine, ambulance, security vehicle, or emergency rescue vehicle, what is the penalty? (1) Their driver's license will be suspended for 3 months. (2) They will be fined and the driver's license will be suspended for 3 months. (3) They will be fined.	12
105	3	If a motorcyclist runs a red light, they will be fined and receive how many traffic violation points on their driving record? (1) 1 point (2) 2 points (3) 3 points.	12
106	3	Drivers who violate traffic rules must pay the fine within how many days after receiving the citation? (1) 20 days (2) 14 days (3) 30 days.	12
107	1	If a driver hits and injures an on-duty police officer, (1) they will be fined and their driver's license will be cancelled. (2) they will be fined and their driver's license will be suspended. (3) they will be fined to the maximum amount allowed by law.	12
