題號	答案	題　目	分類編號
001	O	Valuing life should be the top priority of the driving ethics. Drivers should respect pedestrians and yield to the elderly, children, and the disabled at all times.	14
002	O	Yielding to pedestrians is a display of good driving ethics.	14
003	X	Abiding by the traffic regulations has nothing to do with driving ehics.	14
004	O	Yielding and tolerance are indicators of good driving ethics.	14
005	O	You should yield to oncoming vehicles on a narrow road.	14
006	O	Although drivers have the right of way when they have a greenlight, they are still required to watch out for jaywalkers and vehicles that run through red lights.	14
007	X	A vehicle flipped over in front of me and I can see injured people crying but no one helping. As I'm running late, I can just leave them there.	14
008	O	Inspecting our cars to make sure they are in good condition before we drive and yielding to pedestrians and other vehicles when on the road displays good driving ethics.	14
009	X	If a driver overtakes me to avoid getting dusty, I should pass them for the same reason.	14
010	O	It is very inconsiderate behavior to honk the horn at random.	14
011	O	If a person doesn't use common courtesy when driving, it could cause a tragedy, not only for him/herself but for everybody.	14
012	O	You should switch your headlights to low-beam when approaching oncoming vehicles at night.	14
013	X	When you see the elderly and children walking slowly across the pedestrian crosswalk, you should tap your horn to warn them to hurry up.	14
014	O	Drivers must slow down and follow the traffic signs and signals when they approach factories, schools, hospitals, railroad stations, auditoriums, recreation areas, exhibition halls, arenas, and all other public gathering areas.	14
015	X	If your vehicle hits a pedestrian by accident, but the pedestrian is not injured, you can speed away to avoid trouble.	14
016	X	When driving at night, you should use the high-beam headlight and constantly honk your horn to warn other vehicles get out of your way.	14
017	X	Police officers and traffic controllers, who enforce the traffic rules, are trouble makers.	14

題號	答案	題　目	分類編號
018	X	If the police catch you breaking the traffic rules, you should speed away quickly to avoid being given a citation.	14
019	O	Even if there is no traffic cop around, drivers are still required to follow traffic signs, signals, and pavement markings.	14
020	O	Although in today's society time is money, we should understand speeding often causes tragedy and life is so precious.	14
021	O	When driving through a tunnel, you should turn on your lights, slow down, and not change lanes.	14
022	O	Drivers must remain calm and concentrate on the traffic conditions when they are on the road.	14
023	X	After drinking alcohol, vision, hearing, and judgment become slow and impaired. Nevertheless, drinking alcohol is a good way to relax, so it is okay to drive a motorcycle after drinking.	14
024	O	Drivers should not drive side-by-side and talk to each other because it will dangerously affect their ability to concentrate on the road and their driving.	14
025	O	To drive safely means to have no accidents, not violate the traffic laws, and follow the instructions of police officers and the traffic authority at all times.	14
026	O	When driving a motorcycle, you should never speed or lose your concentration on the road, not even for one second.	14
027	O	Mechanical malfunctions cause accidents. Therefore, drivers must check all mechanical parts of their vehicles regularly to ensure driving safety.	14
028	X	If your vehicle starts having mechanical problems, that may endanger the safety of yourself or others, you can continue driving anyway.	14
029	O	Drivers should inspect their vehicle daily and have regular maintenance.	14
030	O	Traffic rules are designed to maintain the smooth flow of traffic and ensure safety. Therefore, all drivers must familiarize themselves with and abide by the traffic rules.	14
031	O	Motorcycles are not permitted to drive along with a convoy of on-duty police or security vehicles.	14
032	X	Drivers need outstanding skills only. Following traffic rules is not really that important.	14

題號	答案	題　目	分類編號
033	O	When an accident occurs, drivers are required to cooperate with the police throughout the accident investigation process.	14
034	O	You must turn off your engine before you refuel your motorcycle.	14
035	X	It is not necessary to turn off the engine before you refuel your motorcycle.	14
036	O	To ensure driving safety, you must check the mechanical parts of your vehicle before driving it.	14
037	O	Drivers must park their vehicle in accordance with regulations regarding hours, spaces, and any other regulations stipulated by the local government.	14
038	X	Traffic police who enforce traffic rules are causing inconvenience for drivers.	14
039	O	Drivers may not pass vehicles from the right or pass by driving in the oncoming traffic lane if there is oncoming traffic.	14
040	O	Drivers have to be extremely cautious at intersections, when making turns, or when there is oncoming traffic.	14
041	O	Traveling up or down a steep hill, drivers have to slow down and are not allowed to stop, make a U-turn, or pass other vehicles.	14
042	O	Though motorcycles are smaller than automobiles and are easier to maneuver in and out of traffic, motorcyclists may not drive recklessly.	14
043	O	Motorcyclists must slow down when driving in rain.	14
044	O	Motorcyclists may use both their front-wheel and rear-wheel brakes at the same time for safety.	14
045	O	The higher the motorcycle speed, the longer the braking distance.	14
046	O	Drivers are required to check to see if there is any obstacle, other vehicle, or pedestrian blocking their path before they merge into traffic.	14
047	O	Drivers are required to slow down prior to braking if the road is wet.	14
048	X	Drivers may cross the solid double yellow lines into the oncoming traffic lane in order to pass another vehicle.	14
049	O	If drivers encounter an accident on the road, they must report it to the police immediately and provide assistance to the victims, not just be a bystander. If they see the vehicle that caused the accident, they must report it to the police at once.	14
050	X	Motorcyclists may pass another vehicle when there is oncoming traffic.	14

題號	答案	題　目	分類編號
051	O	If motorcycle causes an accident, the parties involved must report it to the police immediately.	14
052	X	Motorcyclists may race side-by-side on the road because motorcycles are small and easy to operate.	14
053	O	Drivers on the road must pay attention to safety at all times.	14
054	O	If the vehicle behind you passes you, for safety reasons, you should not then pass that vehicle.	14
055	O	If a driver has to brake quickly, especially by using the emergency brake, they have to take all possible measures to protect their passengers and their vehicle from being rear-ended (hit from behind).	14
056	O	Drivers must park on the right side of the road to either load or unload goods and may not under any circumstances obstruct traffic.	14
057	O	Being considerate, showing common courtesy, and having self-control are the minimum requirements for being a good motorcycle driver.	14
058	X	If you have regular maintenance done on your motorcycle, it's not necessary to make sure your bike is mechanically sound before driving it each time.	14
059	O	Sudden braking is most common reason why motorcyclists wipe out on the road, so it is critical not to speed.	14
060	O	You should never drive side-by-side with other vehicles to chat with other drivers and never pass another vehicle when you are turning.	14
061	O	To avoid causing an accident or flipping over, drivers should not pass another vehicle on a railroad crossing and not race other vehicles.	15
062	O	If a vehicle breaks down on a railroad crossing, the driver should take counter measures in the following sequence: press the emergency button→ push the vehicle out of the crossing→quickly move out of the way as the train approaches.	15
063	O	For safety reasons, drivers have to look for pedestrians when they are entering or leaving an alley or the driveway of a building.	14
064	O	If your vehicle breaks down on a bridge, in a tunnel, near a hydrant, in front of a barrier, in a circular intersection, on a railroad crossing, in an intersection, on a pedestrian crosswalk, or in a fast-vehicle lane, you must push your vehicle out of the way or off the road in order to not obstruct traffic.	14
065	O	If the traffic light turns red or yellow just as a driver is approaching an intersection or there is a police officer instructing them to stop, they must stop single file behind the stop line.	14

機車法規是非題
【英文】

題號	答案	題　目	分類編號
066	X	Drivers may speed through an intersection if the light has just turned yellow, even if they have not yet crossed the stop line.	14
067	O	Drivers must slow down when they are approaching an intersection without traffic lights.	14
068	X	When drivers are approaching an intersection without traffic lights, they should tap their horn and speed up to pass through the intersection more quickly.	14
069	O	Vehicles may not turn right on a red light, if the intersection does not have a right-turn arrow.	14
070	X	Drivers may hold the steering wheel with one hand and a cigarette with the other hand.	14
071	X	No matter how exhausted drivers are, they may continue to drive without any concerns about safety as long as they drive slowly.	14
072	O	Driving cautiously is the best way for drivers to protect their safety.	14
073	O	If you stop suddenly, any vehicle that has not maintained a safe driving distance is likely to rear-end your vehicle (hit your vehicle from behind).	14
074	O	Motorcycles with displacement of 50cc to 250cc are considered ordinary heavy motorcycles.	12
075	O	Motorcycles with displacement of 50cc or less are considered light motorcycles.	12
076	O	It is unlawful to counterfeit, alter, or obtain a motorcycle license plate number.	12
077	X	If you intend to scrap your motorcycle, you don't have to notify the Motor Vehicle Registration Department, and you may keep the license plate.	12
078	O	If you intend to scrap your motorcycle, you have to notify the Motor Vehicle Registration Department.	12
079	O	If you intend to suspend the use of your motorcycle, resume using an old motorcycle, or amend a vehicle registration, you have to register at the Motor Vehicle Registration Department.	12
080	O	Motorcycle owners who register vehicles at the Motor Vehicle Registration Department are required to fill out an application and submit their ID card, military ID card, or alien resident certificate.	12
081	O	The mentally challenged, blind, or those with epilepsy are not eligible to possess a motorcycle driver's license.	12

題號	答案	題　目	分類編號
082	O	The goods loaded on a motorcycle may not extend beyond the back seat.	12
083	O	The goods loaded on a motorcycle may not extend more than 0.5 meters beyond the rear axle.	12
084	O	If a motorcycle driver's license is either suspended or cancelled, drivers may not apply for another driver's license before the suspension or cancellation expires.	12
085	O	If anyone acquires their driver's license by unethical or illegal means, their driver's license will be cancelled and they will be prohibited from possessing a driver's license in the R.O.C. for 5 years.	12
086	O	Those who intentionally remove their muffler will be punished more severely than those who drive with a damaged muffler.	12
087	O	Motorcycle drivers are required to carry their driver's license and vehicle registration with them at all times when they are driving in case a traffic control officer or the police ask to see them.	12
088	O	If a driver knowingly allows another person without a driver's license to drive their vehicle, their driver's license will be suspended for 3 months.	12
089	O	If a driver illegally hits a pedestrian in the crosswalk and causes either injury or death, the driver will be subject to a 50% increase in the normal criminal liability.	12
090	X	If a driver runs a red light, their driver's license will be cancelled.	12
091	X	Goods loaded on a motorcycle may not extend more than 2 meters beyond the tail end of the motorcycle.	12
092	O	The Statute Governing the Punishment for Violation of Road Traffic Rules was enacted in an effort to upgrade traffic administration and maintain an orderly flow of traffic thereby ensuring traffic safety.	12
093	O	If a driver dies, the party responsible for the affairs of the deceased driver is required to turn in the driver's license at the Motor Vehicle Registration Department.	12
094	O	Drivers may drive in oncoming lanes on roads with a double yellow line separating the traffic.	12
095	O	Drivers have to possess a large heavy motorcycle driver's license in order to drive a 250cc or larger motorcycle.	12
096	X	If you drive drunk and cause either serious injury or death, your driver's license will be cancelled and you will be prohibited from possessing a driver's license for 3 years.	12

097	O	If a driver hits a person on the sidewalk and causes either injury or death, the driver will be subject to a 50% increase in the normal criminal liability.	12
098	X	Female passengers, riding on the back of a motorcycle, are allowed to sit side-saddle with both legs hanging off the same side of the motorcycle.	12
099	O	If a driver recklessly cuts off other drivers by forcing their way into a line of moving vehicles, they will be fined and receive traffic violation points on their driving record.	12
100	O	Motorcyclists driving on roads with no line separating the lanes may use the two outer lanes. Motorcyclists driving on multi-lane one-way roads may use either the far left lane or the far right lane.	12
101	O	On a two-way road that has a line separating the slow-vehicle and fast-vehicle lanes, motorcyclists may use either the outer fast-vehicle lane or the slow-vehicle lane.	12
102	X	Prior to taking off on their motorcycle, the driver does not have to check to see if there are any other vehicles or pedestrians nearby.	12
103	O	When taking off on their motorcycle, drivers have to yield to traffic and pedestrians on the road.	12
104	X	Motorcyclists may remove their muffler to increase their engine power (Hp).	12
105	O	No stopping is allowed on pedestrian crosswalks.	12
106	X	Although light motorcycles have room for a passenger to sit on the back of the seat, drivers are not allowed to carry passengers.	12
107	O	On a two-way road with lane lines separating the fast and slow lanes, motorcyclists may use either the outer fast lane or the slow lane. On multi-lane one-way roads, motorcyclists may use either the slow lane or the fast lane adjacent to the slow lane if there is more than one fast lane.	12
108	O	On a road with 3 lanes going in the same direction, motorcyclists are required to use a two-step turning process when turning left. On one-way roads, motorcyclists traveling in the right lane or the slow lane are required to use a two-step process when turning left. Motorcyclists in either the left lane or left slow lane are required to use a two-step process when turning right.	12
109	X	Light motorcycles are permitted to drive on the sidewalk provided they maintain a speed of less than 20km per hour.	12

題號	答案	題　目	分類編號
110	O	Motorcyclists may not carry both goods and passengers at the same time.	12
111	O	Both motorcyclists and their passengers are required to wear a safety helmet.	12
112	O	Prior to riding their motorcycle, drivers should check to make sure they have their driver's license and vehicle registration with them.	12
113	O	Drivers must abide by the instructions shown on the signs and pavement markings. If they are on a road with no signs or pavement markings, or a road without a line separating the fast and slow lanes, they should use the outside lane.	12
114	O	Passing is prohibited on curves, steep hills, narrow roads, bridges, railroad crossings, one-way roads, and in tunnels, at intersections, and on roads under construction.	12
115	O	Motorcyclists may not drive on the sidewalk.	12
116	O	Drivers are required to slow down on roads with no lane lines separating oncoming traffic, poor condition roads, and when oncoming traffic is approaching.	12
117	O	Passing is not permitted in congested areas and on roads that are under construction.	12
118	O	When motorcyclists are merging onto a main road from a secondary road, they are required to yield to vehicles on the main road.	12
119	O	At intersections with no traffic lights, motorcyclists have to yield to vehicles on their right that are coming from the opposite direction.	12
120	O	At intersections, motorcyclists who are turning are required to yield to vehicles going straight.	12
121	O	Motorcyclists entering a circular intersection are required to yield to vehicles already traveling around the intersection.	12
122	O	Motorcycle drivers are required to turn on their headlight when they are driving in foggy, rainy, snowy, or dimly-lit areas.	12
123	O	Motorcyclists may not park in front of the entrance to an airport, train or bus station, wharf, school, recreation area, exhibition hall, sports center, market or any other public facility, including fire hydrants.	12
124	O	On-duty Fire engines, security vehicles, ambulances, emergency rescue vehicles, garbage trucks, and mail delivery vehicles are not subject to restrictions on temporary parking and parking locations.	12
125	O	Drivers who are either sick or drunk may not drive for safety reasons.	12

題號	答案	題　目	分類編號
126	O	Trains may approach from both directions. No matter which direction a train is approaching from, for safety reasons you still have to look both directions to confirm no train is coming before you drive across the railroad tracks.	12
127	O	No matter if it is during daytime hours, drivers are required to turn on their headlights when driving in the heavy fog.	12
128	X	On multi-lane roads, heavy motorcycles can only be driven in the center fast lane.	12
129	O	Motorcyclists are required to keep their speed below 50km per hour if they are traveling on a road with no traffic signs or pavement markings.	12
130	O	As oncoming vehicles pass by each other, they should maintain a distance of at least 0.5 meters apart.	12
131	X	A two-wheeled 250cc or larger motorcycle is considered an ordinary heavy motorcycle.	12
132	X	Motorcyclists may park their motorcycle on either a pedestrian crosswalk or an intersection.	12
133	X	You may pass another vehicle on the right.	12
134	O	Drivers are required to slow down when they pass by public facilities, such as a hospital or a school.	12
135	O	When driver sees a railroad crossing sign or pavement marking, they are required to slow down to under 15 km per hour.	15
136	O	At intersections with no traffic lights, drivers have to yield to vehicles on their right that are coming from the opposite direction.	12
137	O	Drivers may not honk their horn when approaching a pedestrian crossing.	12
138	O	Drivers are required to maintain a safe driving distance behind other vehicles.	12
139	O	You are required to shift to low beams when passing oncoming vehicles at night, so other drivers don't get blinded by your bright lights and disoriented.	12
140	X	Since motorcycles are small and easy to operate, it is quite safe to drive a motorcycle even if you feel tired or sick.	12
141	O	Drivers must abide by all special traffic signals at intersections.	12
142	O	Heavy motorcycles may carry one passenger on the back of the motorcycle only.	12

題號	答案	題　目	分類編號
143	O	The purpose of turn signals is to indicate a change in vehicle direction in advance.	12
144	X	Motorcyclists and their passengers are not required to wear a safety helmet.	12
145	O	Motorcyclists are required to comply with speed limit signs and pavement markings. On the roads with no speed limit signs or pavement markings, drivers must keep their speed to less than 50km per hour.	12
146	O	If motorcyclists fail to stay in the designated motorcycle lane, they will be fined and receive traffic violation points on their driving record.	12
147	O	If left turns are prohibited, drivers may not make a U-turn.	12
148	O	If an intersection has both traffic lights and a police officer instructing traffic, drivers are required to comply with the instructions given by the police officer first.	12
149	O	If your motorcycle license plate is lost, stolen, or damaged, you are required to apply for a replacement.	12
150	O	Motorcyclists, who are permanently prohibited from applying for a driver's license, cannot possess a license in the R.O.C. ever again. (except for those who meet certain criteria and whose suspension has expired in accordance with the requirements stipulated by the government).	12
151	O	Those who drive either a passenger car or motorcycle without a driver's license will be fined and be barred from driving immediately.	12
152	X	Motorcycle drivers are required to drive under 50km per hour when they are on a road without lane lines separating the fast and slow lanes or separating oncoming traffic.	12
153	X	When drivers see a railroad crossing sign or pavement marking, they are required to reduce their speed to under 25km per hour.	15
154	X	If left turns are prohibited, drivers can still make a U-turn.	12
155	O	Intersections with a flashing red light require vehicles and pedestrians to stop and look both ways carefully before proceeding forward.	12
156	O	The flashing red lights at railroad crossings are the same as red lights at an intersection. All vehicles and pedestrians are required to stop and wait for the train to pass by before proceeding forward.	15
157	X	It is legal to lend or borrow a motorcycle license plate for installation on a motorcycle for which that plate is not registered.	12

題號	答案	題　目	分類編號
158	X	The items carried on a motorcycle may extend up to one meter beyond the front of the motorcycle.	12
159	X	The items carried on a motorcycle may not extend more than 1 meter beyond the rear-wheel axle.	12
160	X	If a driver's license is suspended, the driver may apply for another license.	12
161	X	If a large heavy motorcycle over 250cc but less than 550cc has good performance, it can travel on freeways if the driver has good driving skills.	12
162	O	If your motorcycle's license plate is missing or stolen, you should submit a police certified document to the Motor Vehicle Registration Department and apply for a replacement plate.	12
163	O	If a minor less than 14 years old violates the Statute Governing the Punishment for Violation of Road Traffic Rules, their legal representative or guardian will be penalized instead.	12
164	O	If a drunk driver causes an accident resulting in serious injury or death, they will be fined, their driver's license cancelled, and they may not possess a driver's license in the R.O.C. again. (except for those who meet certain criteria and whose suspension has expired in accordance with the requirements stipulated by the government).	12
165	O	If a motorcyclist is caught using a hand-held cell phone, computer, or other similar device to call, talk, digitally communicate, or do other actions that might hinder driving safety, the motorcyclist will be fined NTD 1,000.	12
166	O	Drivers are required to maintain a speed of less than 50km per hour on roads with no traffic signs or pavement markings, except on roads with no lane lines separating traffic traveling in the same direction or oncoming traffic or when driving in the slow lane; all of which require drivers to keep their speed under 40km per hour.	12
167	O	On roads with designated fast and slow lanes, motorcyclists must stay in the slow lane and maintain a speed under 40km per hour.	12
168	O	There are 6 types of motorcycle driver's licenses designated for: light motorcycles, mini-bikes, ordinary light motorcycles, heavy motorcycles, ordinary heavy motorcycles, and large heavy motorcycles.	12
169	O	Drivers who do not follow directional signs will be fined and receive 1 traffic violation point on their driving record.	12

機車法規是非題

題號	答案	題　目	分類編號
170	O	Driving side-by-side in one lane is extremely dangerous. Therefore, violators will be fined and receive 1 traffic violation point on their driving record.	12
171	O	Motorcyclists who drive on the sidewalk will be fined and receive 1 traffic violation point on their driving record.	12
172	X	If a driver runs a red light because they are in a hurry, they will only be fined, but the 2-point traffic violation will not go on their driving record.	12
173	O	If you make a U-turn at a place where left turns are prohibited, you will be fined and receive 1 traffic violation point on your driving record.	12
174	X	If it's too much trouble to follow the flow of traffic around a circular intersection, it's okay to make a U-turn since no traffic violation points will go on your driving record, anyway.	12
175	O	If you go ahead and pass another vehicle without that vehicle first moving over to allow you to pass and signaling that it is okay to do so, you will be fined and receive 1 traffic violation point on your driving record.	12
176	X	Drivers receiving 6 traffic violation points on their driving record within one year will have their driver's license suspended for only one month. Therefore, it is not really necessary to abide by the traffic rules at all.	12
177	X	If a driver is caught driving drunk because their blood alcohol level exceeds the maximum allowed by law when driving, they will receive 2 traffic violation points on their driving record, but no other penalty.	12
178	X	Since traffic violation points do not go on your driver's license, it's okay to just disregard them and go ahead and break the traffic rules.	12
179	X	Large heavy motorcycles with overall displacement over 550 cc may travel on freeways and expressways, may drive side-by-side in the same lane, and may overtake other cars.	12
180	O	When a large heavy motorcycle with overall displacement over 550 cc is traveling on freeways or expressways, the driver should wear a helmet, and the helmet should be full face or open face helmet.	12
181	O	The tires on heavy motorcycles with displacement over 550cc driven on freeways and expressways should be carefully checked so as to not have treads that are less than 1mm in depth at any point.	12
182	O	While large heavy motorcycles over 550 cc are traveling on freeways or expressways, their headlights are required to be on at all times.	12
183	O	Speeding causes the great majority of accidents.	11

題號	答案	題　目	分類編號
184	X	Even if you are sleepy and cannot concentrate on driving, it's okay to continue to drive, as long as you drive very carefully.	11
185	X	Unfamiliarity with the operation of your vehicle has nothing to do with traffic safety.	11
186	O	If you comply with all traffic rules, you will reduce the chance of being in an accident.	11
187	O	Using all reasonable measures to prevent an accident from happening is called defensive driving.	11
188	X	No matter how much you familiarize yourself with the road conditions and traffic situation before you drive, it won't help increase your safety.	11
189	X	You may speed late at night and early in the morning when there are few vehicles and pedestrians.	11
190	O	For safety reasons, you must slow down when you drive at night and when the roads are slippery because of rain.	11
191	X	If approaching oncoming vehicles do not switch to their low-beams at night, you may retaliate by using your high-beams.	11
192	O	Drivers must slow down when they are driving on flooded roads.	11
193	O	We can prevent accidents by always looking far ahead down the road and maintaining a safe driving distance.	11
194	O	In the case of an accident, you should not disturb the scene of the accident by removing debris, vehicles, or other evidence from the road and should immediately notify the authorities.	11
195	O	When an accident occurs, the parties involved must take all possible measures to give first-aid to any injured victims immediately, rather than arguing over who is liable for the accident.	11
196	X	If you are involved in a bad accident that is blocking traffic, you may go ahead and move your vehicle and any debris off the road without waiting for the authorities or police to arrive in order to help restore the smooth flow of traffic.	11
197	O	Agreement regarding liability and financial compensation for an accident should be decided by all parties involved in the accident or their legal representative, guardian or heirs.	11
198	X	If the person who caused the accident is injured, you are not required to offer first-aid or have that person taken to the hospital. You can simply leave the scene to avoid trouble.	11

題號	答案	題　目	分類編號
199	X	If an accident victim is unconscious, you should shake and pat the victim in order to help them regain consciousness.	13
200	O	When lifting an accident victim at the scene, you must lift their entire body together keeping all parts level, not just pick the person up by their neck and legs.	13
201	X	Drivers don't need to have first-aid knowledge. All they need is good driving skills.	13
202	O	Accidents on highways are handled by the National Highway Police Bureau, while accidents on expressways are handled by police offices in the county or city government where accidents occur, or other police offices designated by the National Police Agency, Ministry of Interior.	12
203	X	Upon seeing repair technicians closing down a road or bridge ahead, drivers should ignore this and speed up in order to pass through, so that their trip is not delayed.	12
204	O	If a planned route is closed down, drivers should follow the instructions of repair technicians, and exit that section quickly and without lingering.	12
205	O	When driving through mountain roads on rainy days, drivers should listen to the Police Broadcasting Service and pay attention to traffic reports. Also, they should be alert and avoid any dangerous sections.	12
206	X	Roads are absolutely safe, and so there is no need to check the traffic report before driving even in stormy weather there is no danger on the road.	12
207	O	During a period of torrential rain noted as by the Central Weather Bureau, rock-falls, landslides, or swollen rivers under bridges in low rivers, caused by torrential rain in the upper rivers, are all signs of road disasters. When seeing these situations, drivers should avoid them and report to the departments of Directorate General of Highways or the Police Broadcasting Service as a warning to other drivers.	12
